11. Power socket: DC 15V
12. Audio-In socket

5. Bluetooth Mode

When switched on, the SE50 enters Bluetooth mode automatically. You can also use the SOURCE button to select Bluetooth mode.

5.1 Pairing
5.1.1 Pairing with a Mobile Phone

1. To enter pairing mode, press and hold ❋ until the Bluetooth Icon flashes on the LCD screen.
2. Scan for available Bluetooth devices on your mobile phone (see your mobile phone user manual for instructions if needed).
3. Select "SE50" from the available devices.
4. Once successfully paired, the SE50 speaker will beep and the Bluetooth icon will flash slowly.

Note: The SE50 will automatically reconnect to the last paired Bluetooth device if it is in range, if this device is not available it will enter pairing mode automatically.

5.1.2 Connect to a Windows PC

1. To enter pairing mode, press and hold ❋ until the Bluetooth Icon flashes on the LCD screen to enter pairing mode.
2. Enable Bluetooth on your PC.
3. Select "Devices and Printers" from the Control Panel and click "Add a Device".
4. Select "SE50" from the available devices to install drivers.
5. If the SE50 is not automatically set as your output device, select "Sound" from the control panel then highlight the SE50 and select "Set Default".

Note: For Windows XP and Vista, a third-party Bluetooth driver is needed (not included).
Note: The SE50 will automatically reconnect to the last paired Bluetooth device if it is in range, if this device is not available it will enter pairing mode automatically.

5.1.3 NFC Pairing

1. Enable NFC and Bluetooth mode on your source device.
2. Touch the NFC area of your source device against the NFC area on the SE50.
3. Confirm the pairing on your source device if prompted.

5.2 Music Control

The SE50 is able to control the music playing on either a mobile phone or a computer with a Bluetooth connection.

Use the "VOL-" or "VOL+" buttons to adjust the volume and press ▶️ to pause or resume playback.

6. FM Radio Mode

Press SOURCE to select FM radio mode. In FM radio mode, an FM icon and the current frequency will be displayed on the screen.

Short press the "FM-" or "FM+" buttons to adjust the frequency in 0.1MHz steps. Press and hold either button to move to the previous or next channel.

SE50 can store 10 channels. Press "PRESET" to cycle through your stored channels.

To save a channel to the stored channel list, press "MEM" then use "FM-" or "FM+" to select a channel number then press "MEM" again to confirm.

Press "VOL-" or "VOL+" buttons to adjust the volume.

7. Audio-In Mode

To use the SE50 as a wired speaker, use a 3.5mm audio cable to connect the SE50 with your source device. Press "SOURCE" to select AUX mode, an AUX icon will be displayed on the LCD screen.

Press "VOL-" or "VOL+" buttons to adjust the volume.

8. Clock Setup

To set the correct time on the clock, press and hold the "MEM" button until the hour begins to flash. Use "FM+" and "FM-" to adjust the hour up and down. Once the correct hour is set, press "MEM" again to adjust the minutes. Once the time is correct, press "MEM" to finish.

11. Warranty

This product is guaranteed for twelve months from the date of the original purchase. In the unlikely event of any defect arising due to faulty materials or workmanship, the unit will be either replaced or repaired free of charge (where possible) during this period. An alternative product will be offered in case the product is no longer available or repairable.

This warranty is subject to the following conditions:
● The warranty is only valid within the country where the product is purchased.
● The product must be correctly installed and operated in accordance to the instructions given in this user manual.
● The product must be used solely for domestic purposes.
● The warranty only covers the main unit, and does not cover the accessories.
● The warranty does not cover the damage caused by misuse, negligence, accident and natural disaster.
● The warranty will be rendered invalid if the product is resold or has been damaged by inexpert repairs. The manufactures disclaim any liability for incidental or consequential damages.
● Please consult our customer adviser before returning any product; we are not responsible for any unexpected product returns.
● Any faulty product must be kept and returned in the original packaging with all the accessories and the original copy of the purchase receipt.

The warranty is in addition to, and does not diminish, your statutory or legal rights.

This product is in compliance with the essential requirements and other relevant provisions of Directive 1999/5/EC. The declaration of conformity may be consulted at August International Ltd, Rawmec Business Park, Plumpton Road, Hoddesdon, EN11 0EE, United Kingdom. $C\epsilon$

Industry Canada Statement
This device complies with Industry Canada license-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept interference, including interference that may cause undesired operation of the device.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

■ Reorient or relocate the receiving antenna.
■ Increase the separation between the equipment and receiver.
■ Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
■ Consult the dealer or an experienced radio/TV technician for help.

No Unauthorized Modifications: Do not make any changes or modifications to this product without the prior express written approval of August International Ltd. Any changes or modifications made without express written approval could void the user's authority to operate this product.

For details of further relevant technical standards, please contact us at the address above.
