

AUGUST USB Freeview TV Receiver DVB-T201

August has introduced this magic USB Freeview TV Receiver, it can turn your laptop or desktop computer to a high definition personal multimedia centre that allows you to watch over 30 Freeview channels, listen to over 20 digital radio stations, record your favourite TV programmes on your hard drive or burn it onto a DVD.

4 Star rating by What Hi-Fi (July 2007) & Active Home (Aug 2007)

Main Features:

- USB 2.0 digital TV receiver
- Watch over 30 channels Freeview digital TV on your PC or laptop
- Plug & play, powered by USB port
- Universal and regional channel scan
- Real-time and schedule recording
- Support playback of DVD disks
- Dimension: 86x27x14mm
- Weight: 23g

System Requirements:

- Windows Vista, XP or 2000
- CPU 800 MHz or more
- Memory 256 MB or higher
- VGA 8 MB RAM
- Sound card

Accessories:

- Software CD
- Portable antenna with magnetic base
- Remote Control
- Aerial Adaptor

Please note that the indoor antenna supplied will only work in the areas where Freeview signal is strong and a rooftop aerial may be needed to receive Freeview channels in some areas due to insufficient Freeview (www.freeview.co.uk) coverage.
