

Freeview & Analogue TV / Freeview TV Recorder / Media Player All-In-One (DA100C)

August DA100C is a High Resolution TV, Multimedia Player and Recorder all-in-one. The analogue and Freeview tuners enable you to watch over 40 Freeview channels and 5 analogue channels, listen to all digital radio stations. It is a multimedia player, plays video, music, photos in MP3, WAV, MPEG4, AVI and JPEG formats from a memory card or USB memory stick. It also supports real time and scheduled Freeview TV recording to an USB stick or external hard drive (FAT32 format).

Being super slim and smart design, it is an ideal handheld portable TV and media player for your holiday, caravan, boat, bedroom or kitchen, and can also output TV and video to a large screen in your home as a Freeview set-top box and digital media player. The device can be powered from mains or car adaptor (not included) and can charge and be powered by 6 pcs AA rechargeable batteries (not included).
