

AUGUST 7" Digital & Analogue LCD TV with Built-in card reader and USB Port (DA700B)

This newly launched August 7" portable LCD TV has both an analogue and Freeview tuner, which enables watching over 40 digital Freeview channels without an external Freeview box. It also boasts a built-in SD/MMC card reader and USB port, which allow you to enjoy your favourite movies and music or view the photos of your loved ones at anytime. Lightweight and slim in design, it can be used as a portable TV, media player or digital photo frame around the house or to entertain the children on holidays. Optional external battery box is also available.

Please note the included portable antenna may only be used in areas where Freeview signal is very strong. There may be difficulties in receiving TV signal with the portable antenna in some regions at present, this is due to the fact that Freeview service (www.freeview.co.uk) is yet to operate in full power in the UK. The government aims to achieve a full switchover by 2012, which will occur in stages, region by region between 2008 and 2012, at present the quality of the Freeview reception varies in different regions across the UK.
