8. Power Socket
9. Audio-In Socket
10. Antenna

August SE55 will switch on automatically and enter Clock Mode once the power cable is plugged in to the power socket.

Use **M** to cycle between Bluetooth and FM modes. Press and hold **Set** to return to Clock mode.

Bluetooth Mode

1. Use **M** to select Bluetooth Mode. The display will show .
2. SE55 will automatically enter pairing status.
3. Pair your source device to SE55.

Note: SE55 will reconnect to the last paired device if it is in range. Please disable Bluetooth on the last connected device if pairing to a new device. Please refer to its user manual for instructions, if you are unfamiliar with the Bluetooth feature of your source device.

FM Radio Mode

1. Use **M** to select FM Radio Mode. The display will show , then display a radio frequency.
2. Press and hold **Scan** to scan for radio stations.
3. Use **CH+** and **CH-** buttons to cycle through the saved stations.

Audio-In Mode

1. SE55 will automatically switch to Audio-In Mode once a 3.5mm audio cable is plugged in. The display will show .
2. You can play music directly from the source device connected to the SE55.
3. Use **M** to cycle through Audio-In, Bluetooth and FM Radio modes.

Alarm Setup:

1. In Clock Mode, press and hold **Set** for 2 seconds to enter Alarm Setup mode. The display will show **ALARM**, then the hour will flash.
2. Use the Control Dial to adjust the hour and press **Set** to confirm, then the minutes will flash.
3. Use the Control Dial to adjust the minutes and press **Set** to confirm.

Time Setup

In Clock Mode, press and hold **Set** for 4 seconds, to pass through Alarm Setup mode. The display will show **TIME**, then the hour will flash. Then follow procedures "2" and "3" for Alarm Setup described above.

Alarm Clock

- Press **Set** in Clock Mode to activate or deactivate the alarm.
- The red LED will be lit whilst the alarm is activated.
- The alarm will sound for 1 minute. Press **Set** to stop the alarm.
- To snooze the alarm for 5 minutes, press any button, except **Set**.
- The alarm will automatically snooze after the first time it sounds.

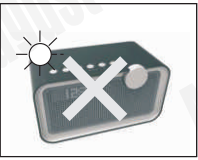

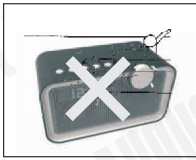

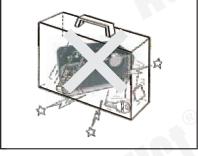

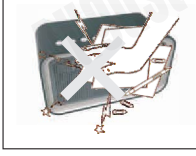

Hands-free Calls

SE55 can take calls hands-free once connected to a mobile phone.

- Press **Play** to answer an incoming call or to end an ongoing call.
- Press and hold **Play** to reject an incoming call.
- Use the Control Dial to adjust the call volume.

Safety Instructions

■ Storage and Use

	Keep this device away from extreme temperatures.		Keep the device away from wet or damp environments.
	Never expose the device to moisture, dust, oil or smoke.		Avoid dropping or exposing to impacts.
	When carrying this device as part of your luggage please ensure it is securely stored to avoid impact damage.		Never strike or scratch this device with any sharp object.

■ Maintenance

Please unplug all leads before cleaning this device.

	Wipe the device and buttons with a soft cloth.		Never wipe this device with an abrasive cloth or apply detergent, alcohol or chemical based cleaning products.

Warranty

This product is guaranteed for twelve months from the date of the original purchase. In the unlikely event of any defect arising due to faulty materials or workmanship, the unit will be either replaced or repaired free of charge (where possible) during this period. An alternative product will be offered in case the product is no longer available or repairable.

This warranty is subject to the following conditions:

- The warranty is only valid within the country where the product is purchased.
- The product must be correctly installed and operated in accordance to the instructions given in this user manual.
- The product must be used solely for domestic purposes.
- The warranty only covers the main units, and does not cover the accessories.
- The warranty does not cover the damage caused by misuse, negligence, accident and natural disaster.
- The warranty will be rendered invalid if the product is resold or has been damaged by inexperienced repairs. The manufacturer disclaims any liability for incidental or consequential damages.
- Please consult our customer adviser before returning any product; we are not responsible for any unexpected product returns.
- Any faulty product must be kept and returned in the original packaging with all the accessories and the original copy of the purchase receipt.

The warranty is in addition to, and does not diminish, your statutory or legal rights.

This product is in compliance with the essential requirements and other relevant provisions of Directive 1999/5/EC. The declaration of conformity may be consulted at August International Ltd, Unit 5 Swains Mill, Crane Mead, Ware SG12 9PY, England.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

No Unauthorized Modifications: Do not make any changes or modifications to this product without the prior express written approval of August International Ltd. Any changes or modifications made without express written approval could void the user's authority to operate this product.

For details of further relevant technical standards, please contact us at the address above.
