Introduction

Thank you for purchasing the August SWB100 Smart Wristband. This user manual is designed to familiarize you with all the features of this device. Please take the time to read this user manual carefully, even if you are already familiar with a similar product.

Safety
To ensure the safety of you and others, please read the Safety Instructions before using this device. Please do not disassemble the product, it can be unsafe and will invalidate the manufacturer's warranty.

Disposal
Please ensure the product and accessories are disposed of in compliance with the WEEE (Waste Electrical and Electronic Equipment) Directive and any other regulations applicable to your country. Always check with the environmental agency and any other relevant authorities for current disposal regulations.

Customer Service
You can contact us by phone on: +44 (0)845 250 0586 or by email at: service@augustint.com should you require further technical support or customer service.

1. Charging
Please fully charge SWB100 before first use. To charge, use the power cable to connect the SWB100 to a powered USB port.

Once fully charged, the LCD screen displays:

The first time you switch the SWB100 on, the LCD screen will display: SET UP press and hold the button for 3 seconds to initialize your device.

2. Compatibility
2.1 Android Compatibility
The SWB100 App is compatible with Android Version 4.3 and above.
To sync, your Android device requires Bluetooth v4.0 and above.

2.2 Apple Compatibility
The August Fit App is compatible with all iPhones released since iPhone 4s with iOS 7.9 and above.
To sync, your iPhone requires Bluetooth v4.0 and above

3. August Fit
3.1 Syncing Activity
The SWB100 will monitor your activity throughout the day. Upload your data to your phone to save and view your progress over time.

To sync your data manually, connect the SWB100 to your phone by Bluetooth, connect your phone to the internet and click on the Activity page.

You can enable Automatic syncing in the settings page, this will sync all data from the SWB100 to your phone continuously.

Note: this will impact the battery life of the SWB100.

3.2 Viewing Activity
The August fit app can show your activity data for steps taken, calories burnt, distance walked and hours slept. Use the Activity screen to view this data on a daily, weekly or monthly basis and to view your progress towards your targets.

3.3 Reminders
To set up a reminder, press on the reminder screen. Adjust the date time and reminder type, then press Save to sync the reminder to the SWB100.

NOTE: A maximum of 20 reminders can be created.

To turn a reminder on and off, toggle its switch on the reminder screen:
To edit a reminder, press edit on the reminder screen then use to select the reminder to edit or use to delete a reminder.

English

6. Warranty

This product is guaranteed for twelve months from the date of the original purchase. In the unlikely event of any defect arising due to faulty materials or workmanship, the unit will be either replaced or repaired free of charge (where possible) during this period. An alternative product will be offered in case the product is no longer available or repairable.

This warranty is subject to the following conditions:
- ■ The warranty is only valid within the country where the product is purchased.
- ■ The product must be correctly installed and operated in accordance to the instructions given in this user manual.
- ■ The product must be used solely for domestic purposes.
- ■ The warranty only covers the main units, and does not cover the accessories.
- ■ The warranty does not cover the damage caused by misuse, negligence, accident and natural disaster.
- ■ The warranty will be rendered invalid if the product is resold or has been damaged by inexpert repairs. The manufactures disclaim any liability for incidental or consequential damages.
- ■ Please consult our customer adviser before returning any product; we are not responsible for any unexpected product returns.
- ■ Any faulty product must be kept and returned in the original packaging with all the accessories and the original copy of the purchase receipt.

The warranty is in addition to, and does not diminish, your statutory or legal rights.

Industry Canada Statement
This device complies with Industry Canada license-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept interference, including interference that may cause undesired operation of the device.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- ■ Reorient or relocate the receiving antenna.
- ■ Increase the separation between the equipment and receiver.
- ■ Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- ■ Consult the dealer or an experienced radio/TV technician for help.

No Unauthorized Modifications: Do not make any changes or modifications to this product without the prior express written approval of August International Ltd. Any changes or modifications made without express written approval could void the user's authority to operate this product.
